Grade 8 Transition to Claremont - Letter for Parents/Guardians

Below are listed two field trips that are part of the Grade 8 Transition to Claremont Secondary. These transition activities will provide all students with knowledge related to Secondary School services and activities, and are also a beneficial experience to those students who will not be attending Claremont.

On Thursday, February 27, the students will be participating in a transition visit to Claremont School from 1:15 to 2:45p.m. This visit is designed to connect our grade 8 students with the school administration and other staff, familiarize them with the physical layout of the Claremont school building, and also to invite their future participation in the activities and clubs that are part of secondary school life.

On Monday, May 5, from 12:15 to 2:45pm students are invited to attend the Claremont Musical '42nd Street', a production organized by the staff and drama students of Claremont.

District buses will provide transportation to Claremont and back to Royal Oak School for those who need a bus ride back to Royal Oak. **Parents/Guardians who want their child to be dismissed directly from Claremont, must indicate clearly on the lower portion of this form. Please return the signed form to the school by Thursday, February 20, 2014.**

The supervisors for this activity are Royal Oak grade 8 teachers, Mr. Bergeron and the teachers and administration from Claremont. If you require additional information about this visit, please contact Mr. Bergeron at 479-7128.
