

# VUPS YOUTH SUMMER LEAGUE

This league is a great opportunity for students to continue playing with their school teammates and friends all summer long!

It's going to be a four team league, where students will work on skill development for a portion of the session with their team, play a modified game, more skill development, and a second modified game. We will then conclude with a whole group Spirit Game. This format will give students a chance to practice the skills through gameplay and then reflect on these skills within their teams.
