

# **CISV VICTORIA** **INTERNATIONAL** **SUMMER CAMPS**

## **San Francisco, Mexico, Honduras, Peru - 2017**

CISV summer camps bring together youth from all over the world, to build global friendships and learn about each other's cultures. CISV Victoria is sending delegations of 2 boys and 2 girls, aged 14, to San Francisco in July, and to Peru in December. We are also sending delegations of 11 year olds to Mexico and Honduras in June/July. If you're interested, get in touch!

We are also recruiting volunteer leaders. Leaders come from all walks of life, but are often university students or teachers. If you care about global citizenship and like working with youth, this is a great fit for you!

CISV Victoria is a volunteer, non-profit, non-religious organization, affiliated with CISV Canada and CISV International.
