

WHEELS ON ICE

The South Island Royals Pee wee female hockey team is participating in

THE CHEVROLET

GOOD DEEDS CUP

This year, in partnership with Hockey Canada, the Chevrolet Good Deeds Cup competition will award the Canadian Pee wee hockey team that has the best season off the ice. To compete for the Good Deeds Cup, our team must perform a good deed in our community.

The Royals want to share their love of hockey with children and youth (5-18 years) with special abilities who use wheelchairs.

Register now and we'll get the participants on the ice in their chair to play an adaptive game of hockey.
