

Why SOCCERTRON?

BECAUSE... Every young soccer player deserves the best and Soccertron has designed camps specifically for all ages. Players are placed on world cup teams and instantly develop a team spirit and close rapport with their coach.

Groups will be based on age, size, ability and will include teams from complete beginners to more experienced players. Each camp includes five days of terrific teaching, endless enthusiasm and great games.

Soccertron offers multiple programs throughout the summer all over Vancouver Island. We visit Comox, Cumberland, Salt Spring Island and various locations throughout Greater Victoria.

Our Summer Programs include.... SOCCER TOTS—Ages 3 - 5

Soccertron's enthusiastic and well trained coaches focus on motivating young players by creatively introducing soccer skill development. Each session is packed full of safe, nurturing and enjoyable soccer skill exploration. As always, our staff believes FUN is the most important part of FUNdamentals!

HALF DAY—Ages 6-14

From passionate professionally trained coaches to strong skills development, this camp delivers a quality and fun experience. This program runs for 5 consecutive days, with each day's session being 3 hours long. During each session there are themed skills that the coaches target for development. All Soccertron coaches are eager to help each young player improve while having fun at the same time!

FULL DAY—Ages 7-14

There is no better start to the season than a full week at Soccertron to prepare players for those important pre-season practices and try-outs. With lots of hours of instruction, we pack almost a whole season's practice time into one week. Emphasis is on improving individual skills and developing techniques such as creating space, communicating, defending and attacking as a team. Improvement through fun and exciting skills and drills is balanced with a refreshing water-fun session at the end of each day. This camp has it all!
