Grade 7/8 Band Registration Form

This form is to be completed by students wishing to participate in the Royal Oak band program in Grade 7 or 8. Students currently taking band are strongly encouraged to continue with band to further develop their skills and experience a greater number of musical opportunities through band trips and performances. Please note that students must complete this form to confirm their placement in the band program.

It is to be emailed to jbridgman@sd63.bc.ca or printed and returned to Mr. Bridgman or the office no later than **Tuesday, May 1, 2018.**

Students should discuss with their parents if they would like to continue with band next year. Please note, that students registering for band classes are committed to staying in band and playing their chosen instrument for the **full school year.**

It is recommended that band students who are continuing next year remain on their current instrument. If you are new to band or would like to change instruments for next year please meet with Mr. Bridgman to discuss this to determine if this would be a good fit.
