

To All Grade 8 Families,

As your child begins his/her last year of middle school, we are looking forward to organizing an event to celebrate this milestone at the end of the 2018/19 school year. In previous years, the grade 8 students and parents have planned various fundraising events throughout the year in an effort to raise money for the Grade 8 farewell. Events included grad gear, bake sales, bottle drives and a pizza lunch. Before we plan for these types of fundraising events, we would like to give grade 8 families an opportunity to donate money or services to the year-end farewell. Once we determine how much money is raised through donations we can then determine how much money is further needed to be fundraised. Business donations valued over \$100 will be recognized through emails and at the time of the event.

Please indicate the following below:

	<p>I would like to receive communication related to fundraising efforts for the Grade 8 Farewell.</p> <p>My email address is: _____</p>
	<p>I would like to volunteer for fundraising events related to the Grade 8 Farewell.</p>
	<p>I would like to donate \$_____. Please enclose a cheque payable to ROMS PAC noting Grade 8 Farewell.</p>
	<p>My business would like to donate \$_____ and/or the following service _____ to the Grade 8 Farewell. Please enclose a cheque payable to ROMS PAC noting Grade 8 Farewell.</p>

We look forward to working with you and planning the Grade 8 Farewell. Please let us know if you have any questions, ideas or suggestions.
