**ROMS TV Script, April 5**

Here is your afternoon ROMS TV News report

S1: Hello! I'm \_\_\_\_\_

Today is **Thursday, April 5**, and here's the news about what's happening at ROMS. Our weather calls for cloudy skies with rain showers and a high of 8 degrees.

**Did You know?** Report # 2 went home yesterday! Be sure to show it to your parents and return the envelope signed!

Most babies are born with blue eyes. Exposure to ultraviolet light (the sun) and melanin are what eventually bring out their true color.

In order to taste something your saliva must be able to dissolve it. Hard to believe? Try drying off your tongue before eating your favorite candy.

For the next sixty seconds if you could follow one of your blood cells it would take you on a complete circuit of your body.

**Litter:** Please ensure you recycle your snack packaging after your recess break.

**Gym Strip:** Gym classes are well underway. Be sure you have your gym strip with you for every class.

**Pizza Day!** Yes tomorrow is pizza day! That's one more sleep

This concludes our ROMS TV Newscast for today. If it happens, it happens on ROMS TV

We will see you **Monday** with a News update on ROMS TV when we return!
