**Lunch Program**

As the school year draws to an end, I would like to thank all the parents who took time to supply baking for the lunch program at ROMS.

It was sure nice for the kids to have a baked treat to finish off their lunch with. With the baked goods donated by the families of ROMS and the fruit and veggies supplied by the PAC, the kids were well taken care of and

well fed.

This was my last year at ROMS but I leave the lunch program in the very capable hands of Elisa Greenway. There will be a need for baked goods for the next school year (2019/2020)so please watch for the sign up sheet to come out in early September.

Thanks again for the wonderful support for the lunch program at ROMS, and I hope everyone has a relaxing restful summer.

Take care,  
Christine Carrigan
