From the Admin Team

ROMS Clothing/Food Drive - Our Drive is now complete. Thank you for your support - we will post some photos of all the food, clothing and personal items we collected on our website. We have such a generous community here at ROMS

Covid Exposures at ROMS: We wanted to let our parent community know that a few students at ROMS have tested positive for Covid in the past two weeks. The task of contact tracing, determining who is at risk and their level of risk, as well as determining which families will be notified is solely in the hands of Island Health. We understand that this can be challenging, but please know that we are following the protocols outlined by Island Health and have informed all the families in each division where there has been a case. We are all doing our best to keep our school community safe. You can do your part by ensuring that you keep your child at home if they are showing symptoms associated with Covid. You can check the Island Health COVID-19 testing page to determine if a test is needed and call 8-1-1 if you need health information. Thank you for working with us to keep everyone safe.

Lifetouch Update - Lifetouch is currently experiencing significant shipping/delivery delays due to the flooding and travel restrictions across the province. If you are waiting for proofs, or wanting to view and/or order your photos:

log into www.mylifetouch.ca and use your child's student number for access. If you need to check on you order please call Customer Care at 1 888 676 1647

Athletics: Please check the [ROMS Athletic Website](#) for volleyball practice schedules. Practices will begin the week of Dec. 6-10.

From the PAC

Save your empties! On January 8th there will be a bottle drive at ROMS and Christmas tree chipping by donation. Proceeds to go towards the Grade 8 farewell.

PAC Xmas Trivia Kahoot: PAC is hosting the 2nd Annual Xmas Trivia Kahoot Night - Dec 15th - 7 pm. Compete individually or as a family!! There will be prizes for the top 3 winners! Zoom Link details will be coming soon.

Food Donations Requested: The ROMS Lunch Program is looking for volunteers to provide a dozen baked goods to supplement the program as it provides lunches to those that would otherwise go without. These items (muffins, cookies, loaves, etc) can either be purchased or baked at home. Items can be dropped off in the office, on Monday mornings before 11 am. Thank you so much for your generous donations, the kids appreciate your effort!
