January

28 FAAS Quarter 2 Ends

31 FAAS Quarter 3 Begins

31 2022/23 Registration for new students

- [Middle School Code of Conduct](#)

WELCOME TO THE WEEK OF: January 24-28

From the Admin Team

Yearbook Pre-Orders: Start February 1st. More info to come, stay tuned!

Traffic Reminder- Traffic movement throughout our property continues to be a concern. Please ensure you are **not parking or idling in staff parking lots** before and after school. Some great options for student drop-off and pick-up are Greenlea rd, the church parking lot at the top of Travino, Viewmont Ave, or even the Royal Oak Plaza. This can build independence in our students and add some extra steps to their day, increasing daily physical activity while creating a safer, less congested front of the school. With 600 students, door to door drop off for everyone is not feasible;)

Gr 8 NEWS

Grade 8 Baby Photos: It is a tradition at ROMS to include the baby photos of each of our Gr 8 students in the yearbook. Gr 8 families, please email your student's baby photo to: ecottier@saanichschools.ca by Monday, February 28th (midnight). No late photos will be accepted. Baby photos can be anything from 0 to 5 years old - no naked baby bums please!

Gr 8 Hoodies - the deadline has now passed for ordering these. They will arrive in a couple of weeks. Thank you to our PAC for organizing this special opportunity for our Gr 8 students.

Mark Your Calendars - Wed Feb 16th 7-8pm the Claremont Vice-Principals will be attending our ROMS virtual PAC mtg to talk about the upcoming transition process for our Gr 8 students and answer your questions about Claremont.

PAC Information - Just a reminder to everyone to save your Country Grocer receipts - our PAC earns gift cards to Country Grocer which then supports our lunch program. Please send all of your receipts in with your child, each teacher has collection envelopes they will forward to the PAC.

From the District

Here's this month's Mental Wellness Snapshot:
