Message from Admin

- Dear Parents,
Here is the first of our Weekly Announcements - we plan to send these home once a week rather than daily. If events come up during the week we will add them to this document, so you may want to check back later in the week. When we are back to "normal" we will likely have clubs/practices, etc added throughout the week. We hope that those of you who subscribe to our announcements will appreciate only receiving one email/week. If you haven't subscribed to our announcements yet, you can do so by [clicking here](#).

Have a great week!
Karen and David
