### **Message from Admin**

- As you have probably heard, we have received new information regarding wearing masks at school. The school district has sent out an email to all parents explaining the changes (if you missed it, you can find it on the district website) and we will continue to work with our staff and students to implement these changes.
- A reminder that students will be outside for recess and lunchtime - please ensure they have appropriate clothing for the rainy weather (and now possibly a cold front too?)

Have a great week!

Karen and David
