Message from Admin

- As we head toward the second term report card, teachers will be finishing off units of study and doing final assessments in the next few weeks. You can help at home by checking in with your child (and their teachers if needed) to make sure they are on top of their assignments.
- We are excited to begin the transition process with our Gr 8 students this month. Despite the limitations on in-person events, we continue to work hard with the Claremont team to provide multiple opportunities to learn about all the exciting opportunities that are available in highschool.

Have a great week!

Karen and David
